AFTERNOON DELIGHT

at La Grande Danse

Montréal, June 13, 2007 – What better way for Divers/Cité to properly celebrate its fifteenth birthday than with ten hours of non-stop outdoors dancing to the rhythms of excellent house music? Featuring Tel Aviv's **Offer Nissim**, and talented local jockeys Alain Vinet, Jester, Stéphan Grondin and Nicola Torriero, La Grande Danse does just that... and more!

Sunday, August 5, as of 13h, the Berri/Ontario stage will become a massive outdoor dance floor as Divers/Cité DJ darlings **Jester** and **Alain Vinet** will get this popular annual party started! Highly anticipated is Israeli turntable maestro Offer Nissim, who made his Montreal debut at last year's festival, and left crowds begging for more, thanks to the incredible link he created between DJ and dance floor. Well, he's is back to do what he does best: thrill audiences with his dynamic brand of progressive and tech-house! (Offer also will be spinning at the essential D/C Party at Club Unity later that night.)

Finally, making his Divers/Cité debut is **Stéphan Grondin,** who will be joined on the mic by the incomparable **Lulu Hughes.** Local favourite **Nicola Torriero** will wind down this spectacular event accompanied by the vocal stylings of **Kim Richardson.**
