## **GIRLS' NIGHT OUT** *at Lesbomonde*

*Montreal, June 13, 2007* – It's a girls' world at Lesbomonde, the city's ultimate lesbian event! Every year, Lesbomonde attracts more than 1,000 partiers to the Just for Laughs Museum, which is transformed into a multi-room club that's perfect for this exuberant, sexy celebration.

Hip-hop and house are both on tap at this year's Lesbomonde. In the Studio and in its mezzanine, Sandy Duperval, a.k.a. **DJ Baby Girl**, spins sensual hip-hop and R&B grooves, followed by **DJ Torus**, who spins a funky selection of new and old-school hip hop and reggae. Meanwhile, upstairs in the Loft, two hot blooded ladies -- one hailing from Rio and the other from Miami -- transform the room into a dance carnival of house, tribal house, and pop remixes. Brazilian bombshell **Ana Paula**'s energetic DJ sets of house rhythms can only be blamed upon Rio, while Miami's tribal house heroine **Tracy Young** spins one of her hip-shaking DJ sets, which have earned her remix work with Shakira, Christina Aguilera, Gloria Estefan and Madonna.

Need to take a breather? A multimedia cinema lounge and plush red chill-out room await party-goers who want to take a moment, chat, or simply relax.
