## LET THESE DJs SAVE YOUR LIFE *at Sunset Party and New Society*

*Montreal, June 13, 2007* – Fresh sounds abound at Divers/Cité's jam-packed weekend of pleasure, thanks to two early-evening parties featuring top international DJ talent! From house to trance, festival-goers can experience the cream of the DJ crop as the sun goes down at two amazing outdoor events.

Both parties also provide Montreal clubbers with the rare opportunity to dance outdoors in the warm summer air, on a high quality sound system, to the beat of excellent DJs, creating a magical and unique experience.

First on the agenda: **Sunset Party**, taking place Friday, August 3 at the Loto-Québec Stage in Émilie-Gamelin Park, as of 17h. Beloved Star Académie songstress **Émily Bégin** will present at 18h a full show inspired from her eponymous new album, accompanied by dancers and a live band. Miami's tribal house heroine **Tracy Young** will follow spinning one of her hip-shaking DJ sets, which have earned her remix work with Shakira, Christina Aguilera, Gloria Estefan and Madonna. Renowned Brazilian DJ **Ana Paula** gets behind the decks at 21h to churn out a signature set of her sexy, dynamic, and dazzling Brazilian house rhythms.

Saturday night picks up where Friday left off! At 17h, also at the Loto-Québec Stage in Émilie-Gamelin Park. As its name suggests, New Society is all about trying new things. As such, trance is the name of the game this year, thanks to some exceptional DJs within this fast-growing and popular genre.

The trip begins with DJ **Ulrich Van Bell**, whose name is pretty much synonymous with trance. With more than 20 years behind the decks on his resumé, loyal fans in Montreal, Toronto, Miami and Europe count on his tech-house and tech-trance productions, all with a tribal edge, to bring them to new levels of intensity. Then, at 19h, DJ **Insomnia** (Geneviève Guitard) takes over. A resident of Stereo's Trancemission nights, this self-proclaimed "Queen of Trance" is also known for organizing raves and parties across the province, including New Year's Eve's Silver and Hallowe'ens Mascarade. Finally, at 21h, DJ **Wizz** closes out the evening. Since the early 1990s, DJ Wizz (Steve Arsenault) has been a staple of Montreal's electronic music scene. His passion for trance has brought this pioneer behind the decks of Sona, Stereo, and Aria, and countless raves.

Divers/Cité is proud to provide a forum for these talented DJs to work their magic!
